MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Directorate of Public Works (DPW) Worldwide Training Workshop 2003

On behalf of the Assistant Chief of Staff for Installation Management and the Commander, Headquarters, United States Army Corps of Engineers, I enthusiastically encourage your participation in the DPW Worldwide Training Workshop, December 1-4, 2003, at the Omni Shoreham Hotel in Washington, DC.

The theme of this year's workshop is *"Army Installations – Supporting People, Readiness, and Transformation."* This event provides an excellent opportunity to receive and share the latest information and innovative practices in the public works profession. Army leaders and advocates for facilities, public works, housing and environmental services will be on hand to discuss initiatives and challenges that installations are facing, and in support of transforming to the Army of the 21st Century.

Mark these dates on your calendars. Plan ahead to give this training workshop and conference a high priority and facilitate maximum participation. Formal registration will open in early September 2003, via the Internet. When active, the web address for registration will be announced. Additional updates on the DPW Workshop will be available on the OACSIM web site at <http://www.hqda.army.mil/acsim/>. Please give this information broad distribution among your staffs.

The OACSIM POC for this action is Mr. David Purcell (DAIM-FDF-M) DSN 328-7613; Commercial 703-428-7613; email: David.Purcell@hqda.army.mil

Mario P. Fiori
